INSTRUCTIONS TO CANDIDATES.

OBJECT AND MEMORY DRAWING.
(Third Year.)

Friday, May 18th— 7 to 10 p.m.

Examiner—GEORGE ATKINSON, ESQ., R.H.A., A.R.C.A.
Co-Examiner—P. O'SULLIVAN, ESQ., A.R.C.A., (LOND.).

If the regulations are not attended to, the work done at the
Examination will be cancelled.

Enter your Examination Number on the sheets of drawing paper and on the envelopes supplied to you. Write "Object Drawing" on the drawing paper and envelope which you use for object drawing, and "Memory Drawing" on the drawing paper and envelope which you use for the test in that subject, but do not write your name on any of them. No credit will be given for work upon which your name is written, or upon which your Examination Number is not written.

You must not, under any circumstances whatever, speak to or communicate with another candidate. Those superintending the examination are not at liberty to give any explanation bearing upon the subject of the examination.

You must remain in your places until your papers have been taken up, and then leave the examination-room quietly. No candidate will be allowed to leave before the expiration of twenty minutes from the beginning of the examination, and no candidate can be re-admitted after having once left the room.

Object Drawings will be collected at 9.10 p.m., and all Memory Drawings, not previously given up, will be collected at 10 p.m.

If you break any of these regulations, or use any unfair means, you are liable to be dismissed from the examination, and your examination may be cancelled by the Department.

I.—OBJECT DRAWING.

1. Draw the group of objects placed before you, together with the adjoining portions of the room as background so far as they come within the field or cone of vision, making your drawing not less than 9 inches high. Marks will be given for correct indication of the surroundings in relation to the group. Some indication of tone values is expected.
2. Indicate clearly on your drawing, by a line and the word EYE, the position of the eye level, if this comes within the margin of your paper.
3. You are not to measure, or take levels with your pencil, or to use any mechanical means.
4. The time allowed for this exercise is two hours and ten minutes.

II.—MEMORY DRAWING.

1. The object of this exercise is to test your memory and impression of the form, proportion, and perspective of the group which you have just drawn.
2. Your Memory Drawing must give the same aspect of the Group as your Object Drawing; the position of the eye level must be indicated as before.
3. The group is to be drawn not less than 9 inches high.
4. The time allowed for this exercise is forty-five minutes.
