(a) Select ONE of the following exercises, and execute it in any medium you consider suitable.

(b) The same number of marks is allowed for each exercise.

(c) The purpose of this examination is to test the ability of the candidates to arrange the general scheme, showing the main lines and disposition of the masses of form and colour.

3. Draw, to any convenient size, a design for a subject composition, for execution in lithography, etching, pen drawing, or wood-cutting.
