The Irish Country House Table

A celebration of Irish cooking

Deirdre McQuillan
The Irish Country House Table is a very special collection of recipes from country houses all over Ireland.

The recipes have been collected and selected by Deirdre McQuillan and the owner of each house. The result is a terrific cross-section of recipes from the traditional potato cakes, Bushmills Porridge, and Venison in Guinness to the more exotic Stir-fry Pike with Ginger, Pheasant with Layered Potatoes, and Lemon Tart with Plum and Basil Coulis.

The houses are equally divided between those which are open to the public or take guests and those which are private. All the owners have enthusiastically shared their kitchen secrets making the most of the fine local ingredients on offer.

This is an outstanding collection of recipes reflecting the very best of Irish cooking and the high culinary standards around the country today.

Cook and enjoy!
