ENTER2014 - Where Social Inspiration meets Dynamic eTourism Innovation
Dublin - 21st-24th January 2014

Organized by the International Federation for Information Technology and Travel and Tourism (IFITT) the ENTER conference offers a worldwide and unique forum for attendees from academia, industry, government, and other organizations to actively exchange, share, and challenge state-of-the-art research and industrial case studies on the application of information and communication technologies to travel and tourism.

IFITT (www.ifitt.org) is the leading independent global community for the discussion, exchange and development of knowledge about the use and impact of new information and communication technologies (ICT) in the travel and tourism industry. The IFITT community is highly active at all levels of industry and academia and comprises many of the leading experts in the field - as well as those entering the area for the first time! You will find it is a friendly and easily accessible community and I hope you will enjoy being part of it. We look forward to welcome you to our Federation and to the many events and opportunities we are involved.

At ENTER 2014, the theme is “Where Social Inspiration meets Dynamic eTourism Innovation”. The conference will explore eTourism opportunities and challenges within the social inspiration context, exploring information and communication technologies concepts, applications, and business models in travel and tourism. Issues to be covered at the conference include, but are not limited to, the following areas:

- Social Networking, Social Media and Social Inspiration
- Context and Location Based Services
- Augmented Reality and Gaming
- Advanced Distribution Systems
- Electronic Marketing and Analytics
- Big data and Cloud computing
- Information Search and Retrieval
- Travel Search and Meta-Search
- Technology Acceptance
- Consumer Inspiration through ICTS
- Information Interfaces and Presentation
- Crisis and eTourism
- ICT Adoption, Use, and Value Creation
- Intelligent Systems
- Web 2.0 and Web 3.0
- Distribution Strategies
- ICT-enabled Partnerships and Segmentation
- Legal and Social Aspects
- Website Design and Evaluation
- E-Learning and distributed learning
- Cultural Heritage and Sustainability
- Mobile Services
- Context-Aware Systems
- E-strategy and e-Business models
- ICT for Regional Development
- Recommender Systems
The conference brings together the research community with industry and it is organised in three streams namely, industry, destinations and research tracks. All submissions to the research track are rigorously evaluated for novelty, significance, and soundness. ENTER 2014 will also host a dedicated “Irish Day” which will showcase all that is exciting and innovative in the area of Tourism and IT on the island of Ireland. Last but not least, the conference will feature 6-8 world class keynote speakers.

ENTER will celebrate its 21st birthday with ground breaking contributions and interactions within the IFITT community. So please come and join us as an exhibitor and/ or sponsor and help celebrate ENTER’s Coming of Age in Dublin 2014.
